NEW REALITY TV SHOW BEING CAST

I received a message to the Hotlanta Squares MeetUp Group site from Erika Dobrin. She asked if anyone in our group might be interested in being cast for this new TV show. It's about couples in relationships who are having problems being accepted by their families. Please see the flyers below for information. Please note that Hotlanta Squares is not sanctioning this. We are merely passing the information on to you. If you are cast for the program and they ask to tape you at a Hotlanta Squares event, you must obtain permission from the HS board before agreeing to do it.

Lights, Camera, Dance!!

Are you ready for your close-up? Photojournalist, Amy Lombard who attended and documented the IAGSDC convention in Palm Springs has asked to film us dancing on April 16th. She is traveling the country documenting the square dance community and would like to include Hotlanta Squares. We would like to get a good crowd, possibly four squares for this event.
