Hot Tips

Occasional updates and important news from our President

April

Hotlanta Squares Members,

I hope everyone is well and receiving their Covid vaccine, since GA is allowing everyone over 16 to schedule appointments. The only side effects I had from the vaccine, were, joy , gratitude, and relief!

We have to protect all of our callers, dancers, and students. Speaking at the IAGSDC monthly Zoom meeting, Dr. Joseph Iser, MD made an outline of safety strategies. For dancing to resume, we will need to have documented proof of vaccination. We must wear masks, physical distance, and wash/sanitize prior to dance tips. We will need air ventilation, a clean facility, no visitors, bring your own snacks, and minimize contact. Dr. Iser suggests assigning a square to stay with throughout the evening.

It is time, again, for volunteers to sign up! It's difficult for one person to run the club by himself.

In May, there will be an opportunity for members to fill the vacant board positions. A full voting Board is needed to make decisions so the club can move in a forward direction. Upcoming available duties include: Vice President, Treasurer, Secretary, Webmaster, and Marketing.

Contact row1111@att.net to inquire and submit the position you have

always desired.

We will need the Board to make re-entry decisions. We will need a secretary soon to communicate all club information. The distribution of a newsletter will depend on this position being filled.

Please sign up !

It has been great to see the club participation at the quarterly events that Saralyn continues to find for us. We all thank you for gathering us together.

The virus and its variants have randomly continued surging throughout the United States no, so emphasis is still placed on everyone's health and safety. We will be following our state, city, and local requirements (CDC guidelines).

Keep enjoying the longer days, getting outside, and safely enjoying more time with your family and friends.

Yellow Rocks,

Randy Rowan
President
