

Hotlanta Squares now accepts payments through Zelle!

Pay for your Annual Membership Renewal with Zelle – We are testing out the Zelle payment platform to receive payments for your Membership Renewal. If this test is successful, we will roll out Zelle as a payment method for other purchases. Zelle does not charge a fee to either the sender or receiver, so we would like eventually to move most of our electronic payments to Zelle.

Zelle is an electronic payments system where you can send funds electronically to other people or businesses enrolled in Zelle. If you do not have Zelle, check with your bank to see if it is available and enroll today!
