### President's Soapbox

If my math is anywhere near correct, this should be about my 96<sup>th</sup> newsletter. I might miss having a soapbox to express my opinions every month, but I don't think that will be a big deal, there's always the "after-party" where "everyone" has an opinion.

I wish Mark the all the best going forward and I know he will do a much better job with the newsletter as well as guiding the club into the future. I know you will all pitch in to be sure he has all the help that he needs to implement his ideas to help the club to grow and to continue to be the best club in the area.

The photos below are from Paul and Margaret's St Paddy's dinner. Thanks to Mike Massey for the photos. Not surprising, this dinner was lots of fun with fantastic food. I wish you could have been there too.

Now for the not so much fun part

Bob and Lynne attended the play "The Princess and the Pea" at Rabun High School. Granddaughter Kat was Princess Woebegone. She did a great job playing the part. We finished the evening enjoying a meal at Big Daddy's in Cornelia Georgia.
