President's Soapbox

Welcome your new President - Mark Nixon

OK, it's right around the corner and you need to get your checkbook out. Our dinner auction is at our first dance in March, (the 7th), and we have five dinners to auction off.

Franklin	St Paddy's Day Dinner
Nixon	Taste of Tuscany
Arthurs & Company	Luau
Akers/Baldwin	Pot Roast Dinner
Nowicki	Polish Dinner

Abby will, once again, be our auctioneer and we are going to modify how we progress, just a little bit this year. We will, once again, open the bids at \$50.00, but we will increase the bids in \$10.00 steps until we get to \$100.00 and then we will increase by \$5.00 steps. I hope each of the dinners go for more than \$100.00 per couple, but you just never know how it's going to turn out until it's over.

Please join us on March 7th and buy all of the dinners that you can afford. They are all truly wonderful and I know you won't be disappointed.

If you can't attend the dinner auction dance and would like to buy one or more dinners, just let one of the Wheels know and we will be glad to bid for you. Just let us know which dinners and what your top bid will be and we will take care of the rest.

On a down note, Frank and Myra have decided to drop out of The Wheels and go independent. We wish them well and we will still see them on our dance floor as well as at most of the other area clubs.

Lynne and Bob announce their engagement! Our wedding is scheduled for mid-May. That will be just about one year of dating. If you haven't yet, [congratulations](#) are welcomed. Bob thinks we make a great couple, and so does Lynne.
